Some Husbands Are Apt to Find Out as Soon As They Get Married

that other men's wives make better dancing partners than their own wives—but you'll notice that they have got to come home for their own wives' cooking. It's much the same with some folks in our town. They like to flirt with the mail order house and the stores of the other town, but—after all, this is where they have to make their living, pay their taxes, send their children to school and go to church. Why not keep their money in circulation right here, and boom their own town—especially as long as we actually give more for the money? We carry trade-marked goods—guaranteed by the manufacturer and backed by our own reputation. The mail order houses carry nothing but unadvertised, unknown and unsafe lines. Did you ever here of a mail order house or a "bargain store" offering you such reliable goods as Black Cat stockings—the advertised hosiery which has the "Com-fit" combination of a full-fashioned leg with a seamless foot? Do they ever make their exaggerated claims about such well-known articles as the following?

Corsets

R. & G. Corsets have been tried out by us for several years. They are the only steam-moulded Corsets on the market. They have a softness of fit that others do not have, and the price is the same as for cheap Corsets, \$1.00 per pair.

Royal Worcester Corsets are sold to ladies of a fuller form. They are made in the most modern and sanitary factory in this country, which is fully equipped with bubbling drinking fountains. Throughout, everything in their factory is of the very best. They make a good Corset for \$1.00.

Nemo Corsets have a reputation world-wide and are to-day far superior to best imported French models. They sell at \$3.00 per pair and at that price are some of our best sellers, with trade on this particular Corset increasing very fast.

Ferris Waists for young girls and young ladies in new shapes. Nearly every mother knows a Ferris Waist.

The four above makes will appeal to you as a good reason why our Corset trade doubled last season.

Black Cat Hose for misses in merino, worsted, plain black cotton and heavy fleeceline, at 25c per pair.
Ladies' Black Cat Hose in No. 19, a very fine rib in a wool. Your choice at 25c per pair.

Boys' Hose in merino, also the Boys' Leather Stockings, called so from their wearing like leather. In both plain and fleeced at 25c per pair.

We like to be able to sell such goods. They add tone to the kind of store we keep and it's a pleasure to recommend such goods.

Munsing Underwear

Wherever you run across Black Cat Hose and Munsing Underwear, you find a progressive Hosiery and Underwear department. These two lines are sure in any town to hold the very best trade. Customers that watch the fit and wear of each garment, customers that spend their money most economically.
